## FREE NEIGHBOURHOOD SUPPORT STREET SIGNS

These signs are proven to be a real deterrent against burglary and other property crime. Each registered Neighbourhood Support Group is entitled to have two of these signs erected in their street/immediate area for free.

The friendly team at Infrastructure Alliance erect these signs on our request in accordance with Hamilton city By-Laws.

Thanks to Infrastructure Alliance you may notice old, damaged or worn-out signs around your area being replaced with shiny new ones.

Please check that your Neighbourhood Support Group has at least two signs on display. [Let us know if](#) you need free new or replacement signs erected for you.
