New Zealand Garden Bird Survey 2021

Make our birds count. Between 26 June and 4 July, New Zealanders will gather in their deck chairs, near windows, under trees in gardens, parks and school grounds across the country to count the garden birds. Celebrating its 15th anniversary this year, the NZ Garden Bird Survey has become New Zealand's longest running citizen science project. So, pull up a chair and make our birds count. Get Ready For National Volunteer Week

Anyone else getting excited about National Volunteer Week | Te Wiki Tūao ā-Motu, 2021? Volunteering New Zealand have lots of great opportunities and resources to share with you all as we get ready to celebrate volunteers and volunteering next month. <https://nationalvolunteerweek.nz/>

Calling all group contacts and members!

Have you, or other members of your Neighbourhood Support group, moved home, changed email address, or got a new mobile number this past year? Have you let the volunteers know? We cannot keep in touch and send you information without your current contact details.

Our regular annual audit of our confidential membership database is underway. Could you please check your on-line personal directory to make sure all your information is up-to-date. You can do this by logging in at <http://nshamilton.org.nz/> and visiting your own confidential membership page. (If you have lost your log-in password, you can request a new one at the start of the log-in process.)

Neighbourhood Support is a free, not-for-profit charity: our membership database is completely confidential and will never be used by us for commercial purposes. Your confidential information is kept secure, and you will never receive advertising or SPAM as a result of your membership of Neighbourhood Support Hamilton.

Police 105 and Non-Emergency Contact

Members often send the volunteers information about criminal activities in their streets or local areas. For example, photographs of alleged burglars, evidence of damage to property, burglaries and petty thefts, as well as street racers, or suspicious activities requiring urgent attention.

Neighbourhood Support is a not-for-profit community based charity which is manned by volunteers. It is not or legally authorised or equipped to investigate these matters or to distribute information covered by the Privacy Act. Our facilities and services are not manned 24/7: when we do receive information we forward it to the police as soon as possible and to the police Hamilton Prevention Unit who are properly authorised and resourced to deal with it. This can take a few days according to our volunteer capacity.

If something criminal comes to your attention please send the information to the police and (of course) to members of your Neighbourhood Support Group (the whole point of Neighbourhood Support – looking out for each other).

105 is the number for Police non-emergencies. **111 is the emergency number for Police, Fire and Ambulance.**

You can use 105 to report things that have already happened that don't need urgent Police assistance.

We encourage you to go online to 105.police.govt.nz to:

- Report any situation that doesn't require immediate Police or Emergency Services attendance
- Request an update on a report already made or add to an existing report.

If you need to talk to police then you can call 105. The number is available from both mobile and landline phones. It's a free nationwide service available day and night for New Zealanders and overseas visitors. Some private, corporate or government agencies have their own private telephone systems that may not have been changed to allow the number 105 to be dialled. If you experience this, please call 0800 105 105.

Other matters such as noise complaints, rubbish on streets, barking dogs, are dealt with by various [Hamilton City Council](#) departments.
